

A diagram showing the Local, Regional, National levels of Foundations' Evidence into Practice offer. The image shows three concentric circles labelled Local (centre, black), Regional (middle, honey-orange), and National (outer, teal). Each circle has an arrow pointing to a text box explaining activity at each level:

- **National (teal box):** Delivery of events, networking opportunities, and work with sector-led improvement bodies to provide resources and support for all local authorities to use evidence.
- **Regional (honey-orange box):** Engagement with existing regional networks, such as Regional Improvement & Innovation Alliances (RIIAs) and communities of practice, to increase awareness and use of evidence.
- **Local (black box):** Funding for nine local authority Partner Places to recruit a Local Evidence Lead, to lead work to implement and embed evidence locally, and share learning regionally and nationally.
